Insurance Information:

Are exchange students covered by a health Insurance plan?	No, Health Insurance is mandatory for all international students before enrolment and to deal by themselves.
Health insurance regulations:	<p>There is a general obligation for a health insurance in Germany. Cheaper health insurance tariffs are available for students for the duration of their studies (until the age of 30).</p> <p>1. There are health insurance agreements with all EU countries. Students from these countries should bring their home country EU health insurance and submit it to a health insurance scheme of their choice in Germany. They will be then exempt from a German compulsory student health insurance. The health insurance from home country must cover the entire period of the planned stay in Germany. Otherwise they have to apply for a German health insurance.</p> <p>2. Students from Non-EU countries have to have a health insurance that is accepted by German law. Either the students have obtained a health insurance in their home country which is accepted by German law (unlimited coverage!) or apply for a German health insurance.</p> <p>Some German health insurance companies offer the possibility of online application. http://www.studentversicherung.de/affordable_health_insurance_germany.html</p> <p>More information in different languages you can find > http://www.1a-krankenversicherung.de/international</p>
Health insurance cost:	Per month about 60 Euro

Visa:	<p>If you are a not a citizen of a member country of the European Union you will most likely be entering Germany on the basis of a student visa, which is granted to you by the German Embassy/Consulate in your home country. A STUDENT VISA allows entry and stay for a period of three months. Afterwards in Germany you have to apply for the new eAT (electronic residence permit).</p> <p>http://www.bamf.de/SharedDocs/Anlagen/EN/Publikationen/Flyer/flyer-eAT-en.html</p> <p>Check the website of the German Ministry of Foreign Affairs (www.auswaertiges-amt.de) for regulations on immigration and residency for your home country. Following your arrival in Germany make sure to register as soon as possible to be granted a residence permit .</p>

www.justlanded.com

Other information that is relevant to incoming exchange students:

Please note, that only the MSc of Autonomous Systems in Computer Science, BSc and MSc in Biology are offered completely in English. Only few parts of the BA and Master programmes in Computer Science are in English, so it is recommended to have enough German language knowledge proved by DSH or TestDaF for studying any of these and the other study courses of the Hochschule Bonn-Rhein-Sieg at both locations in Sankt Augustin and Rheinbach.

The application form has to be returned latest 30 May for winter semester in the same year, or 30 October for summer semester in the next year, but for visa application procedure we recommend to return earlier.
